To Whom It May Concern:

JRA had the opportunity to work with Don Mac Bain on Ferrari World Abu Dhabi. Don was the post production producer on the large format film, *Viaagio in Italia*. The technical demands of the theater were very challenging. Don made sure the team overcame the obstacles and was key in delivering a first class film. JRA looks forward to the opportunity to work on future project with Don MacBain.

Sincerely,

Anita Daugherty
Executive Producer
